Definition of the corporate governance (CG) :

In reference to the Organization for Economic Co-operation & Development OECD definition, we can define the corporate governance as it is a set of procedures and processes by which the institution is managed and controlled to achieve its objectives, and it includes the distribution of rights and responsibilities between the various parties to this institution and the identification of rules and procedures for decision-making in it.

What is the benefit that will accrue to your company from implementing corporate governance?

- Improving sustainability opportunities and facilitating its transmission to future generations
- Attracting finance and investment by increasing levels of disclosure and transparency
- Increasing the productivity and improve the performance through the distribution of tasks and responsibilities.
- Effectiveness the Management control environment and reduce operational costs.
- Improving the credibility and reputation of the company
- Institutionalizing family businesses
- Reducing risks for the institutes that applied practices of corporate governance

■ Training Services

Board secretary in effective governance

Introduction:

In light of the exceptional circumstances due to (Covid-19) crisis, which led to the increase dependency on technology in all fields. The business world was no exception starting from daily small meetings to the major meetings such as the board of directors and general meetings. Naturally, the roles of all involved parties need to adapt to the new changes. The role of the secretary of the board of directors emerges as the link between the board and the executive management in organizing the mechanism of electronic meetings, activating the corporate governance and following up on the implementation of board decisions in addition to many more important duties.

Workshop goal:

The workshop aims to clarify the central and strategic role of the secretary of the board of directors (secretary), responsibilities, and duties in order to assist in successfully performing the secretary role in the company in accordance with international best practices, especially in light of the current circumstances.

Target group:

This workshop is designed for current and prospective board secretary and individuals responsible for implementing good corporate governance practices in listed and unlisted companies in the private and public business sectors as well as banks.
