

Virtual training courses of Governance Institute for Directors GloD platform

Who we are?

GloD/ Governance Institute for Directors is a non-profit organization established in 2016 in Iraq, GloD is one of a series institutes of Directors IoD established globally and supported by the International Finance Corporation IFC/ World bank. Specialized in providing solution towards institutions' sustainability via corporate governance services.

GloD Vision:

To become the pioneers in governance services in Iraq

Why GloD is unique?

- ❖ GloD is a non-profit organization (NGO) keen on supporting the Iraqi private sector by building the fundamentals for organizations (companies and banks) and improving the capacities of the directors.
- ❖ Our strategic partner is the International Finance Corporation (IFC) / World Bank Group (we already mentioned it???)
- ❖ GloD is the first and only independent Iraqi Institute dedicated to corporate governance.
- ❖ Our training materials are specially designed by IFC to meet the Iraqi private sector needs.
- ❖ Our programs are delivered by experts in the corporate governance field.
- ❖ Our hands-on programs based on raising real issues from the Iraqi, regional and international community.
